Employment

Technical Prop Specialist at Pure Energy TV & Film Props

Feb 2023-Jan 2024

I worked both on-site in the prop house and also on locations in London and further afield, providing services for live events, exhibitions, and television production. As well as managing intake and inventory of vintage electronics, I also serviced and tested these items and represented them on the prop hire website. I also managed the company's social media as well as graphic design & editing. On-set responsibilities included building, wiring and monitoring CRT video walls, supervising specialist prop use, and managing video playback.

Design & Communications Officer at The Centre for Computing History

Jul 2018-Feb 2023

My role covered graphic design, communications, marketing, content writing, research, social media and corporate events management. I also worked on design and content for external exhibitions such as WEB@30, Gaming Generations, and events such as the GoldenEye World Championships. I also worked front of house for museum openings and special events, and improved the visitor experience for the museum exhibition and shop.

Marketing Assistant at The Garage (Performing Arts Venue), Norwich

April 2015-Sept 2017

From April 2015-16 I was Marketing Assistant Intern, before becoming Marketing Assistant. My role featured sole graphic design responsibilities for the organisation. I had a wide range of duties, including compiling & designing three seasonal brochures a year, brand management, artist liaising, strategizing marketing, communications, mailing list management, content writing, covering reception, and social media management

Gallery Assistant (volunteer) at The Upstairs Gallery, Beccles

Jan-Apr 2015

This entailed assisting artists with display/hanging of work, guiding visitors, and operating the shop. I also designed the digital magazine, managed social media and mail-outs, and general maintenance of the gallery.

Print Design Assistant (work placement) at Prism Print & Promotions, Chedgrave

Oct-Dec 2014

This included processing incoming designs and producing proofs for external clients, and designing a selection of print collateral for the use by the company itself.
